**COMELIT** **PRO**  
WITH • YOU • ALWAYS

# **Comelit.** **A group of 800 people moved by the same spirit.**

In Comelit's DNA, what has never changed is the attitude of putting people at the centre of every decision: as much in 1956 when the company was made up of just a few people and worked with small businesses as today where we find a much more evolved Comelit with more than 800 people and 17 branches worldwide.

# With You. Always.

Being **at the side** of those who choose Comelit to meet their customers' needs is our daily **commitment**.

A commitment that translates into the constant research and development of new solutions that are easy to install and offer advanced performance, into the advice and daily **assistance** we offer by telephone and in the field, into the proposal of products and systems of high quality and reliability, and into **support at every stage of your work**. **With You. Always.** Because **your success is our success** and your customers' satisfaction, our satisfaction.

## Our services:

- **Quickly browse** through all the technical, application-related and commercial information concerning our products (catalogues, manuals, technical data sheets, etc.).
- Keep up to date with all the news we have for you: **promotional offers**, online and on-site **training courses, services, new products** and much more.
- Set up your **video door entry systems** in just a few steps and save them in your reserved area.
- Request **technical and commercial support** for designing a system.
- Manage and monitor your connected systems and **receive notifications** on the status of installed products to receive prompt assistance in case of anomalies.
- Edit the names of the **Ultra entrance panel** (in the Touch or digital Directory versions) **via Bluetooth** connection.

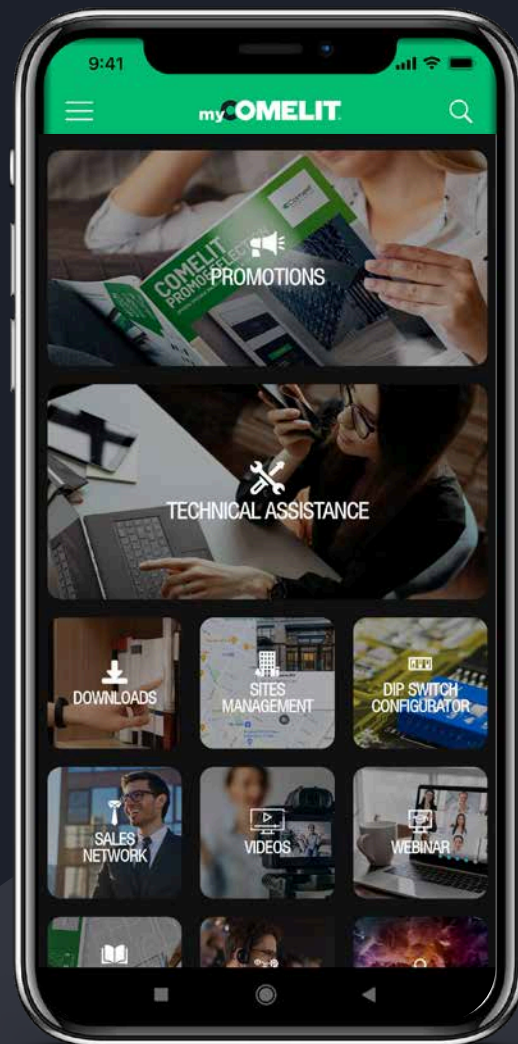

# MyComelit.

## CREATED TO MEET YOUR NEEDS

**Simple, immediate and customised.**

MyComelit simplifies the work of every **professional in the sector**: installers, system integrators, building managers, planners, security managers, wholesalers and architects.

# IN **EVERY** POSSIBLE SITUATION.

From the first morning coffee to the last meeting of the day! **MyComelit** accompanies you **through all stages** of your business, **providing immediate** and personalised answers: to design consultancy; from installation to routine maintenance.

WITH  
YOU  
WAYS

**CONSULTANCY**

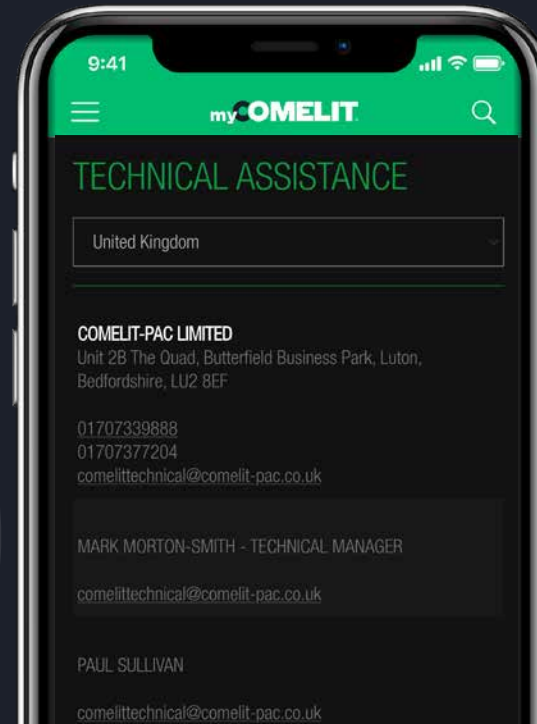

**INSTALLATION**

**MAINTENANCE**

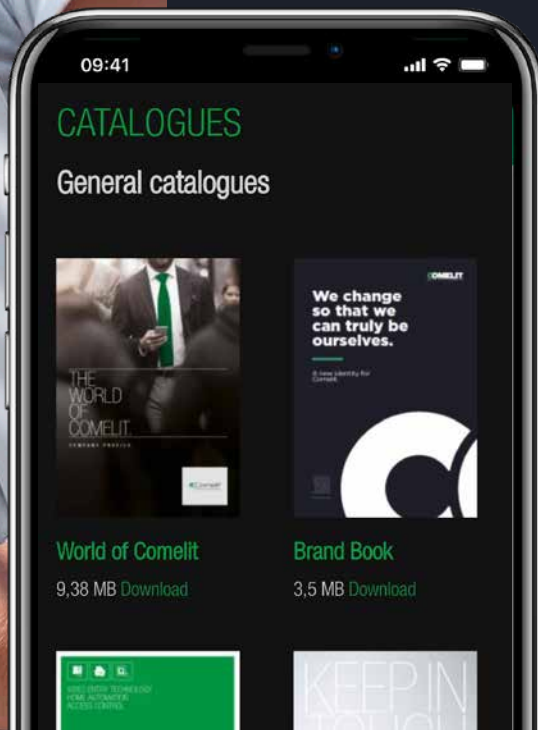

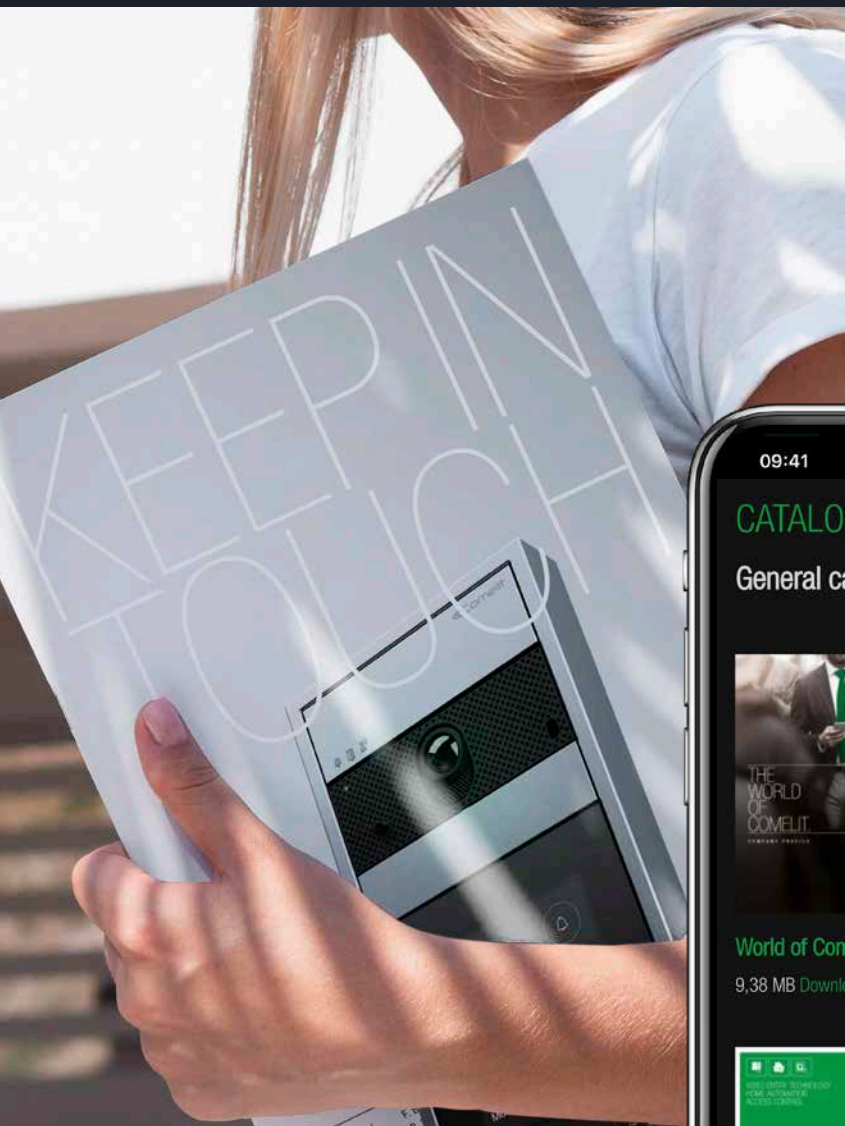

With the MyComelit app you have an immediate channel to request all the support you need, directly from us. From **interventions in the field** such as inspections or commissioning, **to support** in the implementation of a project with our specialised team, **through to telephone support** available daily from 8.30 a.m. to 5 p.m.

# Support

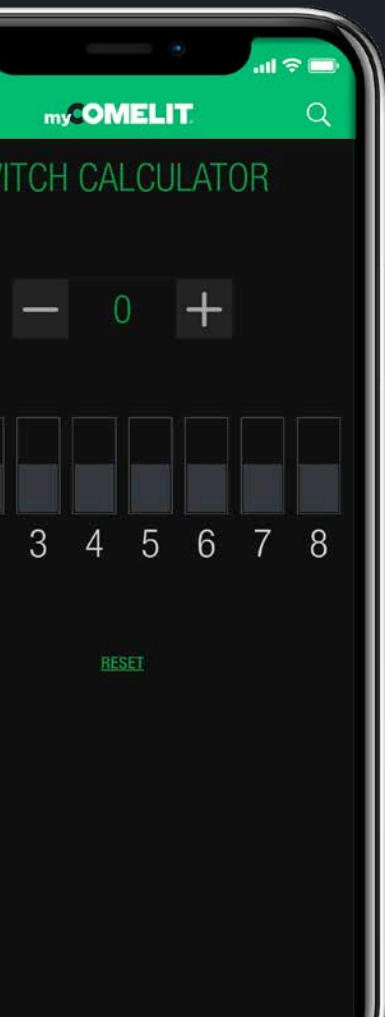

# Download.

All Comelit documents always with you, even in offline mode!

**Brochures and catalogues** to always have all the information available for any product. **Manuals, diagrams, datasheets** for an **immediate support** when you're on the plant/installation and promotions so you don't miss any opportunity!

Configurations via app that **make your life and work easier!**

With the MyComelit App you can configure Ultra's directories by connecting to the external panel **via Bluetooth**.

Last but not least, the configuration of the **Dip Switches**: the endless tables will be only a distant memory, now all you have to do is enter the frequency and you will be shown how to set the Dip Switches.

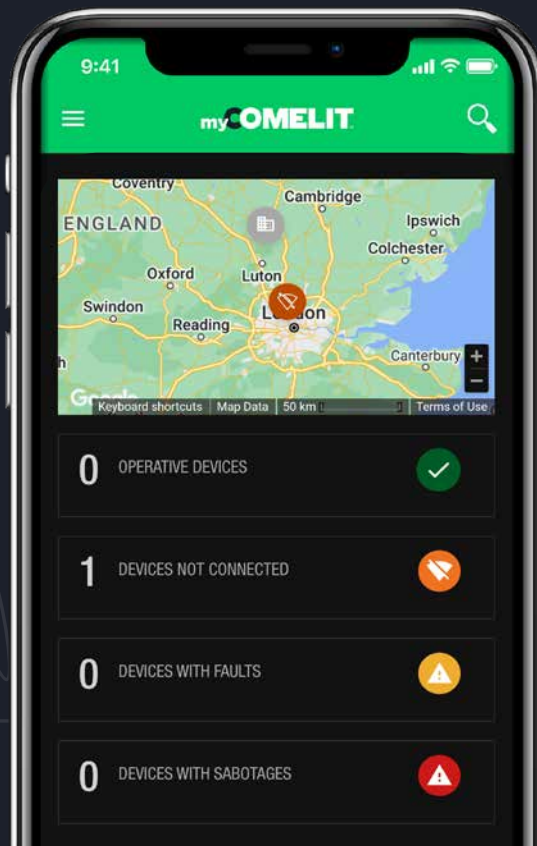

# Configurations.

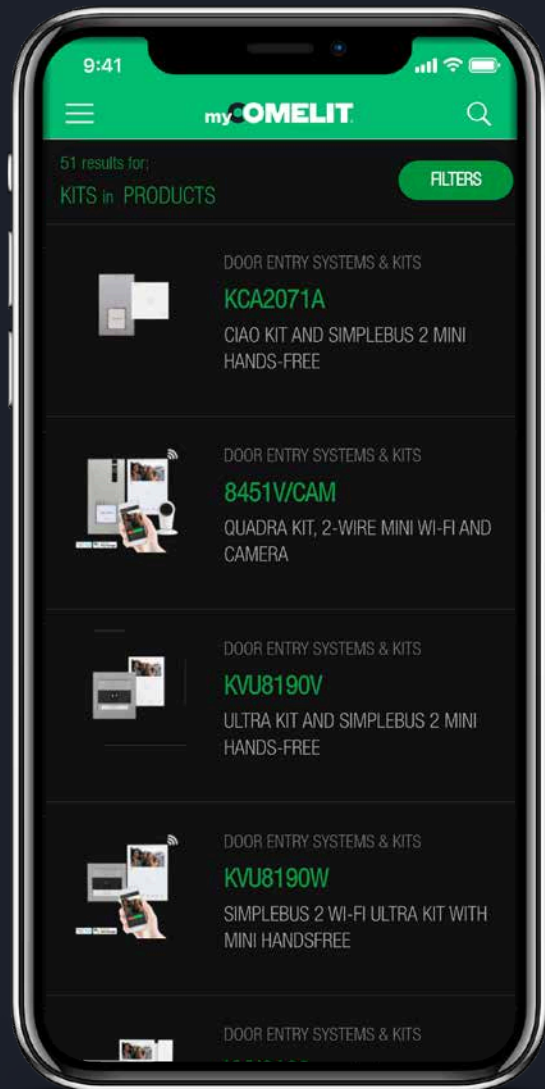

# Monitoring.

Using the App, you can **configure, manage, monitor and update** video door entry, burglar alarm and fire detection systems remotely. The advantages? **Remote troubleshooting**, with a consequent **saving of time** and in advance of customer reports: whether it's a simple change of parameters, product anomalies or **battery changes**, your customer won't even have to call anymore, our **App will alert you!**

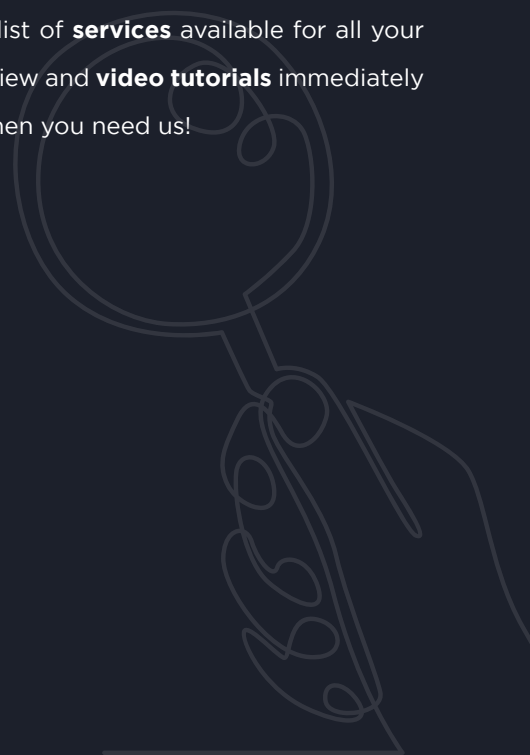

# Knowledge.

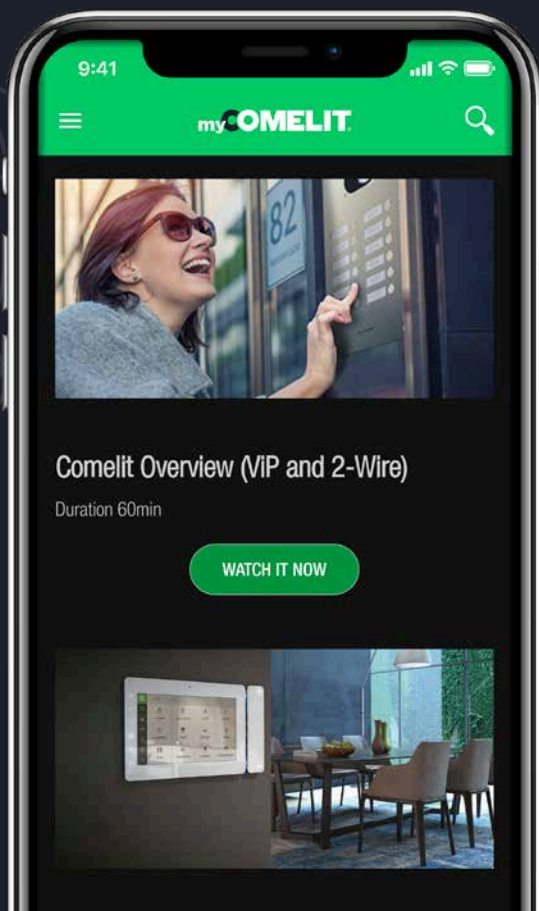

An infinity of **contents** at your disposal! Quick search of our products and their features, list of **services** available for all your needs, company news in preview and **video tutorials** immediately available to help you right when you need us!

# Training.

One of Comelit's constant priorities is and always has been the training for professionals! Through the App you can register for new **live webinars** or review past webinars **on demand**, directly and from the comfort of your sofa at home. Just as you will be able to book free **specific training courses** either in our head office or in our nearest branch.
